

Small Business Membership Program

Become a member, sponsor an exhibition or educational program, or support one of The Noyes Museum of Art's many special events – and see how the power of the arts inspires and transforms our world! Your contribution will help the Museum reach out to your employees, friends and neighbors. Over 20,000 children and adults visit the Museum each year. **We're counting on your support to make great things happen.**

The Noyes Museum of Art needs your support! Costs are continually rising, so we ask you to give as generously as possible. Every child and adult in southern New Jersey deserves the very best in art and cultural programming, and we simply can't do it without you. As the only art museum in southern New Jersey, The Noyes Museum of Art must meet the highest standards in exhibitions, art education, cultural programming for early learners, and community outreach. Your commitment will help ensure that the Museum remains one of the finest cultural institutions in the region.

Many people assume the Museum does not need public support. On the contrary, individual, corporate, foundation and state funding are all vital. It is our broad-based membership of more than 500 families, corporations, area businesses, donors and volunteers that literally keep The Noyes Museum alive and make it the vibrant organization it is today.

Supporting The Noyes also makes good business sense. Your membership is an investment in the cultural vitality of the region and can yield real revenue benefits for your business. Learn more about how The Noyes impacts your community by:

- Scheduling a tour
- Witnessing educational programs
- Attending a special event

Schedule a behind-the-scenes tour and you'll be amazed at the variety and depth of the thought provoking exhibitions and cultural programming. There are hundreds of school children who participate in tours and educational programs. Note the ever-growing number of organizations holding their own meetings and events at the Museum.

The Noyes Museum of Art partnerships benefit all businesses, regardless of size. Our Membership programs offer tremendous return on your investment and will enhance the community in which your customers and employees live and work.

Benefits of becoming a Small Business Member
